DETAILED ACTION

Allowable Subject Matter

1. Claims 1-10 and 12-17 allowed.
2. The following is an examiner's statement of reasons for allowance: Prior art failed to establish a light-emitting diode comprising a surface mounted package comprising a substrate having a first surface and a second surface, two silver metal layers insulated from each other and positioned on the substrate, the metal layers respectively extending from the first surface to the second surface, a chip electrically connected to the metal layers on the first surface and a sealing member covering the chip and adhering to a portion of the substrate and to portions of the silver layers, a printed circuit board, and two solder paste layers for electrically connecting the printed circuit board to the silver metal layers on the second surface where the silver metal layers are utilized to prevent solder paste layers from penetrating into space between the sealing member and the metal layers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
